Welcome to the SBF Foundation Walk for Work 2025

We are thrilled to launch the inaugural charity walk by the **SBF Foundation** in support of **EmployWell** - our flagship initiative to reintegrate vulnerable individuals into the workforce while addressing manpower challenges faced by businesses.

EmployWell helps vulnerable individuals overcome employment barriers through tailored employability workshops, job coaching and matching, and proactive employer engagement. By equipping individuals with the tools to secure stable, long-term employment, the programme also supports businesses in meeting their workforce needs.

We are honoured to have **President Tharman Shanmugaratnam**, Patron of SBF Foundation as our Guest of Honour to flag-off this charity walk.

Thank you for your support and we look forward to walking alongside you for inclusive work, and for a fairer, more compassionate Singapore.
